The Library is an exceptional community center for education, entertainment, and personal enrichment. Gifts allow us to provide quality programming, early literacy services and relevant collections including e-books to all residents of our member communities. RSCL only receives a portion of its financing from the state and revenues.

Since 1959, the Roaring Spring Community Library has provided much needed access to resources and services that enrich the lives of families, friends, and neighbors. Giving to the library is a gift to your community- a way to ensure that everyone enjoys access to the resources necessary to live healthy productive lives.
