ADOPT

The Roaring Spring Community Library has several unique opportunities for you to ADOPT.

ADOPT affords you the opportunity to be the first to read, view or listen to your adopted selection.

You can also make an impact by ADOPTING a service, program or supplies at the library.

The ADOPT program is just one way you can help the library continue to be community treasure.

ADOPTIONS can be made by one person, a family, a group of friends or a company.

Library revenues continue to decrease, while the cost of providing FREE services to our patrons continues to increase.

ADOPTABLES

make a difference in library services offered in your community.

ADOPT and Author

Do you have a FAVORITE AUTHOR? Do you want to be the FIRST PERSON to get your hands on that new book he or she wrote? Adopt an author and donate the funds to purchase the book. Be the first person to read the latest release.

ADOPT a BOOK

Honor someone special in your life with the Adopt-A-Book program. With your donation the library will buy a book and add a book plate indicating both donor and honoree.

ADOPT a MAGAZINE or NEWSPAPER

When you choose to 'adopt' a magazine, you select a title and support it financially by paying its subscription cost.

ADOPT a DVD or MUSIC CD

You can enjoy the latest DVD or Music CD when you adopt a copy for the Library. For as little as \$20.00 you can adopt either a DVD or Music CD. You will have the privilege of being the first to view your selected DVD or listen to your favorite music.

ADOPT SUPPLIES

There are many office and custodial supplies that are used in the Library. Make a commitment to ADOPT packing tape, tape, envelopes, packing envelopes, glue sticks, labels, paper towels, tissues, bathroom tissue, hand soap and hand sanitizer.

ADOPT a Reader

Each year, the library offers 156 youth programs with an attendance of 2,158 children. For \$10.00, you can Adopt -A- Reader for any one of our many youth programs. Your contribution will be used to purchase books and materials that are needed to support our youth programs.

ADOPT a PROGRAM

The Library offers 218 youth and adult programs to the public each year. All of these programs are FREE. Youth programs available for adoption include Little Sprouts -Born to Read , Wiggle and Giggle, Mother Goose on the Loose, Family Place, Sprouting Readers, Sprouting Together or Piggy Bank Tales.

ADOPT a UTILITY

As the cost of utilities continue to increase, think of the impact you can make by adopting one month's utility bills for the library. Gather family or friends and offer to cover the utilities for one month at the Library. Or you can choose to adopt one utility for one month. Adoptions are available for phone, Internet access, electric, and gas bills.
