## *Charitable Giving*

Many people express their desire to do something for the Community Library.

The Roaring Spring Community Library Charitable Giving is a practical and gracious way to ensure continued learning and enjoyment in your community.

There are several ways for you to make a gift to the Roaring Spring Community Library Charitable Giving.

A **gift** to the **Library Endowment** is a beautiful way to remember a loved one. If you contribute \$250 or more, the Library will have your name or the name of a loved one engraved on a plaque that is permanently displayed in the Library.

A **bequest** to the Library in your will of personal or real property is very much appreciated. Ask an attorney or your bank's trust officer for advice. The Library will provide any necessary information.

Make the Library a **beneficiary** of a life insurance policy that is no longer needed by you or your loved ones.

**Gifts** may also be made to honor a special person's birthday, marriage, anniversary, celebration of a birth, retirement, promotion or any other special occasion. We will recognize the honoree with a special card.

**Memorial Giving** is a practical and gracious way to pay a lasting tribute to a loved one. These contributions aid in the purchasing of books, audios or videos. Each item bears a bookplate showing that the book is a gift in memory of your loved one.

Please make your tax-deductible gift knowing that it will sustain a community in life long learning.
